## Mission Statement

Lady of Fatima Health Services is a reliable home health service agency providing quality care and services to clients in the comfort of their respective homes. The Lady of Fatima provides individualized quality care that meets the needs of our clients whose care can be safely and effectively managed in the home environment without regard to race, color, national origin, or on the basis of disability or age. The client's needs will be met through the coordinated efforts of our caring professionals. The services provided are shaped by the values of respect and dignity for human life.

## Code of Ethics

Our services shall be unrestricted by consideration of age, color, creed, disability, gender, identity, health status, nationality, race, religion or sexual orientation.

We achieve this ethic by hiring qualified, skillful, dependable and compassionate care givers to assist our clients in maintaining their independence and dignity in the comfort of their own homes.
